M800

Surreal optical illusions created by digitally distorted patterns challenge your senses and turn heads on the club scene. An extra splash of neon takes things to the next level visually, where you'll steal the show. Our deliciously lightweight and easy-to-wear series once again captures the zeitgeist. Dazzling and distinct, with brilliant colours and striking shapes. As a single piece or combined with other items, you'll draw maximum attention. Always presenting yourself anew. Present your true self.

M2315

The interplay between transparent and opaque, between revealing and concealing, is expressed with a contemporary geometric twist. Arranged in a variety of ways, the opaque and transparent sections create new and extraordinary sights in a variety of forms. It certainly keeps things interesting! The finest quality European jersey and tulle are combined to create a highly luxurious and modern look. Surprise yourself and others - whether at first or second glance.

M2316

Oily, glossy looks are fresh and interesting on the fashion scene. On a delightfully soft fabric that still boasts masculine substance, this smooth, shimmering effect really comes into its own. The spectral-coloured shine gives off an unearthly sporty vibe, so you can parade the gym-god style. Clothed, yet somehow revealing. Wear it as a complete look, or mix and match with denim or leather. Anything goes!

M2317

The enigmatic black mamba is the inspiration for this exciting printed fabric. The shiny, modern, black-on-black film look is a treat to look at and to touch. Lustrous black fabric that exudes quality and luxury. Masculine shapes featuring a variety of closures - or openers, if you prefer - arouse the urge to explore and demonstrate your freedom and liberality. Embark on an exciting voyage of discovery.

M2318

Rectangular heavy-metal rings and sophisticated matte vinyl come together to create a thrilling reinterpretation of classic fetish features. The rings are arranged to detach or attach - it's a whole new look that offers many a surprising glimpse or access point. Decide in the moment where your journey will take you. A thoroughly innovative and masculine fetish style. The triangle cut of the contour pouch gives you the space you need and more room to play. Skirt and top provide the styling highlights of the series. Rediscover yourself in our boldest styles ever.

M2319

An innovative fetish style that hits new heights with black metal rings. New cuts and new ways of putting things together underpin this exclusive metal-PU series. Matte black metal details emphasise the high-calibre, masculine quality and redefine the character of individual items. Carabiners and eyelets link everything together to create this intensely rugged look. You have the power. Conquer any room with our expressive styles.

M2320

Classic, modern styles given an exciting new spin - that's the signature of this series. We combine the finest Italian jersey with our new 3D printed logo waistband. Maximum comfort, courtesy of material that's kind on the skin and an extra-soft waistband lining. All of which satisfies your

MANSTORE

need for luxury on the skin. Good taste and a figure-flattering style aren't mutually exclusive - in fact, they make the perfect team.

M2321

Open, chunky mesh is always an uncannily attractive eyecatcher. Lined with transparent jersey, we enhance the look with elegance and magnetism. Everything is see-through and can be worn as it is, or combined with more concealing items. There are no limits to what's possible. Relaxed, broad outlines are all the rage, underlining the informal look. You love fashion and you love your body. Showcase yourself, and enjoy it to the full.

M2323 NIGHTCLUB

Glitz and glamour in skimpy styles is - and will always be - a key player in our repertoire. Straps are used in all manner of ways, keeping in check everything that ought to be. They provide enough room for sneak peeks and baring some unexpected parts of yourself. Beautifully flexible and pleasant on the skin. The whole thing is available in white or black. Printed with sparkling silver film. This is a series for making glam statements and exposing a new vision of yourself.

M2324 BEACHCLUB

This glossy film look is an unparalleled head-turner for laid-back beach parties and adventures on the sand. Intense pink and relaxed black pop in combination with silver. Show who you are in these customary slinky shapes, and flaunt your confidence in your own skin. Sun, sea and sensuality. See you at the pool!

M2325

Classic vertical stripes create an excitingly transparent look. It's precisely this meeting of timeless class and complete exhibitionism that gives this series its kick. Indulge your fantasies and put together an outfit exactly as you please. Make playful combinations and smash styles, just the way you like. Be bold enough to tread your own path, find your own style, and discover who you truly are.

M2326

Matte, pure, focused.

Strikingly streamlined styling, with elegant details and cuts. That's our vision for this series. The luxurious matte surface of the fabric is the perfect attire. Coupled with the oh-so-sophisticated zip details, you get a completely new look that is both high end and high interest. Pure manliness distilled into one style - enjoy causing a sensation!

M2327

Layered transparency is what this style is all about, and this series takes it to a new level. An incredible range of cuts and colours are superimposed on one another, creating surprising shapes and colour effects. The results are unexpectedly thrilling combos of contour, transparency and colour. Tonal or radical colour contrasts.

Your imagination knows no bounds: the ultimate in self-expression. The styles work on their own, but mainly as the pieces of an individual style puzzle. Keep reinventing yourself and put yourself out there - unforgettably!
