

MANSTORE

M2508

Explore the extravagant men's underwear series featuring a transparent striped jersey and a uniquely vibrant multicolor feather design. Perfectly tailored for standout club moments, this party underwear line ensures you remain stylishly and tastefully dressed to command the scene.

The ultra-fine, shimmering, and vividly printed jersey conforms seamlessly to your body, making you shine—a true highlight for a variety of occasions. The diverse styles invite you to mix and match, creating a personal and provocative look.

Crafted in Europe, this collection guarantees exceptional quality and short production routes.

M2509

Discover our deliberately bold and brilliantly shiny club underwear series, designed to keep you at the center of attention. Functional yet exceptionally playful, this line offers exciting stripper-inspired styles that open endless possibilities for exploration.

These strikingly colorful styles are both concealing and daringly revealing, perfect for any occasion. Make a bold statement and let your personal style shine. Made with premium laminated jersey produced in Spain and finished in Germany, this series is a show-stopping example of European craftsmanship.

M800

Experience our bestselling series, reimagined each season with a fresh burst of color. Crafted from soft, supple jersey, this series is brought to life with a futuristic baroque rose print. Vibrant hues and eye-catching pink floral arrangements adorn the body, creating a bold modern statement.

The coordinating solid pink option adds a striking contrast to any outfit and pairs effortlessly with the new print. Unleash your creativity to craft stylish and unique looks.

Produced and printed in Germany, every item in this collection guarantees the highest quality—a must-have for fashion-forward men looking to stand out.

M2510

Discover our luxurious faux-leather series in an exquisite Bordeaux hue that sets new visual accents. The tastefully matt, shimmering surface lends every style exceptional visual appeal, combining elegance with extravagance.

Showcasing luxurious details, this series captivates both the wearer and onlookers. The soft reverse side ensures exceptional comfort against the skin. With meticulously crafted styles and playful details, this line offers endless possibilities to express your unique style.

From daring to discreet, this series caters to all preferences. Whether you seek a bold look for special occasions or understated elegance, this series fulfills every desire.

M2511

Every collection features a show-stopping party series. Discover this dazzling series that is guaranteed to be the center of attention for the night ahead. With unparalleled glittering effects, each style draws every gaze in the room.

The metallic sheen ensures a spectacular appearance, while the material's flexibility allows you to dance the night away. From bold and versatile T-shirts to revealing strings, this series offers styles for every occasion.

Whether you want to make a statement or simply enjoy yourself, this series is your ideal companion for unforgettable nights filled with energy and joy.

M2512

Lace remains a cutting-edge fashion statement. This series in white lace with golden accents boldly plays with masculine and feminine elements, inviting you to explore and transcend personal boundaries playfully. Each style adapts to your personality, offering inspiring freedom for individual expression. Crafted in Germany, the fine lace adds an elegant touch and ensures a luxuriously airy feel. The captivating designs combine feminine looks with masculine attributes to celebrate your unique individuality. Embrace the freedom to express yourself with this stylish Made-in-Germany series.

M2513

This dynamic and exciting series transcends gender boundaries, inviting you to explore modern, playful styling. The styles highlight your individuality, featuring a classic nude tone and a playful leaf print on transparent fabric—a statement of absolute freedom.

A touch of nothing - perfect for creatively showcasing your physical assets. Whether you prefer provocative openness or subtle mystique, these styles offer endless possibilities. The fabric's remarkable elasticity and transparency inspire bold combinations and creative expression.

The jersey fabric is produced in France and meticulously finished in Germany, ensuring the highest quality.

M2514

Leopard prints never go out of style. Discover our exciting animal-print underwear series. Combining the wild charm of leopard designs with transparent tulle, this collection creates striking, unique looks that command attention.

The series turns heads wherever you go, overshadowing everything around you. From bold strings to well-fitted long johns, it includes styles for every preference.

Whether worn as an all-over look or a statement piece, this underwear offers countless ways to express your style. The jersey fabric is made and printed in Germany, while the transparent tulle originates from Italy, creating a high-quality European product.

M2515

Be inspired by this exciting fetish collection. Featuring bold zipper details and an innovative embossed fabric, these styles are designed to impress. This part of the collection is not only visually striking, but also provides excellent comfort for everyday wear.

The supple jersey contrasts intriguingly with the collection's masculine essence, striking the perfect balance between elegance and power. Gray and brown tones introduce fresh accents to the fetish scene, standing out from conventional designs.

M2516

Discover the fascinating world of our extraordinary graphic lace, which can be used as underwear to create completely new looks. This extraordinary series combines delicate transparency with an innovative fabric structure that creates visually stimulating effects and offers unimagined styling possibilities.

In combination with unusual styles such as master sleeves or long johns, previously unseen looks are created that cause a stir on special occasions. Every single piece is a statement of individuality and creativity that invites you to push the boundaries of the familiar and go beyond them.

Let yourself be inspired to embark on an exuberant journey through endless party nights, where you can shine and tease with your assets. A bold all-over look or individual pieces in combination - you decide and combine skillfully. The Italian lace is made in Germany and is therefore a high-quality European product with short delivery times.

M2517

At first glance, this completely new and surprising look is the real highlight of this collection. Completely unseen and highly innovative, this series comes on a pleasantly stretchy base fabric. Fetish gets a completely new twist thanks to this innovative printing technology.

The 3D printed drops make every style look as if you've just walked through the rain. This series shows what innovative printing technology can achieve today. Get swept away by this new look and be the visual surprise at the next fetish party - ultimate fun is guaranteed.
